Colour Card

Our most popular colours

All of the colours illustrated on this card are available worldwide from our core range of cosmetic finishes, which features acrylic polysiloxane, acrylic polyurethane, epoxy, modified acrylic and traditional alkyd gloss technologies.

Notes:

- When placing orders, please quote the product name, number, colour and shade reference, e.g. Interthane®990, Ocean Blue E992.
- Whilst great care is taken to match the colours on this card exactly, there may be slight variations in the colour of product supplied.

Colours black and white, not illustrated on this card, are also available.
